

## GlosGirlsCan: Female Coaching Bursary

In partnership with a number of local and national organisations Active Gloucestershire has launched [GlosGirlsCan](#), the local arm of the [This Girl Can](#) campaign. It provides a positive network, a central hub of resources and the platform for people to share, promote and celebrate what opportunities there are for women to be active across Gloucestershire.

Active Gloucestershire knows how important activity leaders and coaches are, how key it is to have role models and ambassadors, and we know the barriers many of you face. The GlosGirlsCan: Female Coaching Bursary is an opportunity for **new and developing coaches, leaders or activators** to access financial support towards qualifications, training or personal development. Below is a list of examples as to what this funding could be used for:

- ✓ Level 1 sport specific coaching qualifications
- ✓ Multi-sport activator qualifications
- ✓ Professional mentoring support
- ✓ Leadership courses (i.e. run leader)
- ✓ First aid or safeguarding qualification
- ✓ Mental health awareness training
- ✓ Personal development workshops (i.e. communication skills, fundraising or club governance)

This bursary includes up to **50% reimbursement** of the cost for any workshops, qualifications or training you do up to the value of £250.00. In return, we ask you to log a number of hours within a club or community setting.

*Please note, this bursary does not cover travel or accommodation expenses.*
